Please provide information relevant to your application you would like us to know on the back of this form.

For students in the Class of 2028!

Hey there, future leader! Are you ready to take charge, build connections, and make your mark on the world? We're here to tell you about an incredible opportunity that could change your life: American Legion Evergreen Boys & Girls State!

Imagine a week where you step into the shoes of a political leader, debate important issues, and engage with like-minded peers from across the state. That's American Legion Evergreen Boys & Girls State in a nutshell – an experience that will challenge you, empower you, and shape you into a confident and informed citizen.

Evergreen Boys & Girls State aims to allow every interested high school junior to attend, regardless of their family's financial situation. Financial assistance from a local American Legion Post and/or a sponsor is available to all applicants. The total cost to attend is $700. Typically, an American Legion sponsor will pay $350 of this cost automatically for each student; however, full financial aid will be provided upon request.

Note: Completion of this form does not register you for the program. Once selected to attend, you will be required to submit your registration package via our electronic forms portal. A checklist should be provided to you with the registration information and links. Contact office@evergreenboysstate.org for questions or assistance.
